

McHARRIE *Life*

SENIOR COMMUNITY

CARING FOR GENERATIONS
SINCE 1851

Then, now and always...

Welcome

Welcome to a place where comfort and care are steeped in tradition and your independence and dignity are always our highest priorities.

We pride ourselves on the ability to offer you personalized services designed to care for your individual needs. Our tradition is to honor our unique past while always looking forward to a new generation of healthcare.

Welcome home to McHarrie Life!

Our History

It's been over 160 years since McHarrie Life welcomed its first residents. At that time, we were located on Townend Street and Hawley Ave in the heart of downtown Syracuse but our mission was the same as it is today; provide a home-like atmosphere for those who sought our care.

Our founders originally provided assistance to women and orphans in the rapidly growing city of Syracuse. Long before social services were available, McHarrie Life provided a welcoming haven. Through the years, continuous growth and the expansion of services prompted us to relocate to our current 140-acre campus in scenic Baldwinsville, New York.

And while our organization continues to evolve today, our tradition of caring that began in 1851 has not changed. Our warm welcome and commitment to excellence remains steadfast. We are humbled by and proud of our magnificent legacy of philanthropy. The longevity of our organization is reflective of the vision and tenacity of our founders carried out through generations by countless individuals sharing a common vision of providing comprehensive, dignified care for all.

Continuum of Care

McHarrie Life is a community that seamlessly provides care throughout your transitions of aging and rehabilitation. Within each corner of our community, you'll be sure to find the thoughtful details that meet your exact needs.

McHarrie Towne Independent Living

Gracious retirement living is defined at McHarrie Towne. Here, you have the ability to live a life full of energy and free from the worries of home maintenance. Located in the heart of picturesque Baldwinsville, and just minutes from downtown Syracuse, McHarrie Towne's setting offers you the ability to continue to thrive in the community you've called home for so long. Privacy, independence and carefree living await you at McHarrie Towne.

McHarrie Pointe Assisted Living Program

Experience a worry-free life at our beautiful assisted living community. Designed for those who need some support and security in their everyday lives, McHarrie Pointe offers the perfect opportunity for you to live happily and independently. Home-like apartments present a comfortable choice in housing as sociable dining and a full array of daily activities complete the assisted living experience.

Sage Court Memory Care Program at McHarrie Pointe is designed for those living with Alzheimer's disease, dementia or other memory impairment. Sage Court offers the comforts of home with a full array of daily social activities. Our compassionate team is dedicated to maximizing your abilities, independence and enjoyment of life.

McHarrie Place Health & Rehabilitation

Our Health & Rehabilitation Center provides programs and services to residents in need of skilled nursing care or short-term rehabilitation for hip or knee replacement, neuromuscular disorders, surgery, stroke, illness or injury. Offering excellence in short-term rehabilitation, McHarrie Place supports you from the hospital setting until you are able to live safely and independently in your own home again.

Independent Living

Private homes, bustling social activities and carefree living come complete in the safe and secure setting of McHarrie Towne.

You've earned this time. Enjoy all of life's pleasures without the hassles that come with owning your own home. Experience a lifestyle that is maintenance-free with amenities that include: lawn care, snow and rubbish removal, home maintenance, repair of provided appliances, spring and fall housekeeping, 24-hour emergency response system, wellness programs, property and liability insurance, full utilities and water service as well as social, educational and recreational activities.

Assisted Living

Designed for those who need support and security in their everyday lives, McHarrie Pointe provides individualized care plans so that you can enjoy an independent, carefree lifestyle.

Trained caregivers focus on your wellness, care and lifestyle choices. Here, at our beautiful assisted living program, you will find a comfortable choice in housing, restaurant-style dining and a full array of daily activities. We provide a warm, compassionate environment that minimizes worry and maximizes your health, security and enjoyment of life!

Memory Care Program

We are dedicated to making the present moment a happy moment in your life. As we honor your current stage of health, we make every effort to help you maintain your abilities, independence and enjoyment of life's pleasures—big and small. Sage Court at McHarrie Pointe provides daily activities that encourage your strength and flexibility as a whole person. Your mind, body and spirit are nurtured through arts and crafts projects, brain fitness, social events, outings and daily exercise. Our program is specially designed to provide a safe, caring environment especially for you.

Rehabilitation

Regain your strength. Renew your confidence. Return home. Our state-of-the-art short-term rehabilitation program enables you to recover from surgery, illness or injury quickly and with great care. Every year, over 500 people complete their therapy program and successfully return home.

We've built our rehabilitation program from the resident's perspective. While you're recovering from elective surgery, injury or illness, comfort and ease in a home-like setting makes the process so much smoother. At McHarrie Place, rehabilitative health care, physical, occupational and speech therapies are provided in a warm and caring environment by our team of dedicated professionals. Each resident in our rehabilitation program receives the specific care required by their individualized needs. When rehabilitation services are complete, your team will help coordinate all plans for the transition home.

Skilled Care

Confidence is yours when you're in the compassionate care of our skilled team of healthcare professionals.

McHarrie Place provides 24-hour skilled nursing care for all levels of need. Rest assured that our experienced staff will enhance the quality of your life with warmth, compassion, kindness and dignity at the forefront. We encourage you to live your life your way. With a full array of daily social activities, there are many opportunities to socialize, learn something new, create lasting friendships, spend time with your family or simply relax in our cozy lounge or outdoor courtyard.

Entrance of McHarrie Place

Our Healthcare Center is staffed with skilled and accomplished professionals ready to care for your needs. Confidence is yours when you rely on the compassionate care of our family to care about yours.

At McHarrie Place, our mission is to provide a comfortable environment for the delivery of services designed to promote and expand quality care to aging persons, allowing them to lead a full and dignified life.

Excitement, adventure, lifelong learning and a purposeful existence is not left at the door upon your arrival. Our professionals work with you to provide individualized care based on your personal interests and lifestyle choices. We strive to find what is unique about you. Our hope is that those we serve experience life fully—in a place filled with warmth, compassion and loving kindness.

Bedroom

Lounge

Courtyard

Your quality of life is always our number one priority. We work hard to ensure that our skilled nursing program provides professional care to meet your changing healthcare needs. Designed to help older adults with a variety of medical conditions, the comprehensive care provided by our interdisciplinary team of professionals is why we have been a leader in healthcare since our founding in 1851. Gentle and supportive expert care is provided to all residents. Then...now...and always...

Life is about living each day to its fullest. Daily activities will fill your days with engaging and educational programs and projects as well as opportunities to enjoy live musical performances, local entertainment and social outings.

We recognize that a full life involves more than just exceptional healthcare. We value the importance of mental and spiritual health as well as physical health and offer a variety of counseling and religious services to accommodate the many varied needs of our residents.

We encourage you to invite your loved ones to participate in the many activities we have to offer because we truly understand the importance of spending time with your family and friends.
